## SUPPORT GROUPS

Last updated: 9/21/2022

The following support groups are a free community service. Groups are sorted by topic. Support groups vary a great deal in size and in format – some are structured, offering a specific topic or educational program for each meeting, while others are flexible and more focused on sharing experiences among members. This is not a complete list of groups offered in Wake County.

To figure out whether a particular group will meet your needs, talk to the facilitator before attending your first meeting. Additionally, some groups may decide to change meeting times or to skip a meeting occasionally, so it's a good idea to call ahead to verify time and place.
